Busby School Memo

Artist in Residence

This years Artists in residence (May 21-24), are Maureen Rooney and Paul Punyi, recipients of the Mayor's Lifetime Achievement in the Arts Award and having performed and taught theatre for over 30 years, specializing in mime, stage-fight, slapstick, mask, Commedia del Arte, and movement for the actor. Hundreds of Alberta schools have enjoyed a Rooney-Punyi Performing Arts Residency!

Volunteer Tea and Art Show

This years Volunteer Tea and Art show will follow a slightly different format than in past years. Throughout the event participants will be asked to move about the building as our "active" audience. The entertainment will start at 12:00 sharp, so we ask that our guest arrive prior to that.

Our Artists in residence have also made a request that on Friday, May 24th our students wear all black or as close to all black as possible as this years theme is a Mime Festival. All students will be performing as Mimes throughout the afternoon for your entertainment.

Grade 6 trip to the Legislature

Our grade 6 students will get the opportunity to see our new provincial government in person as they travel to the capital to take part in a mock legislature, learn about the history of Alberta's government and observe a session in chambers from the gallery. The trip takes place on May 28th.
