## General Information

### ABSENCES/ LATES

Regular attendance is a key component to student achievement. Students are expected to attend classes regularly. If your child will be absent or late for any reason (at home, medical, dental, holidays, etc) please contact the school office by 9:00 AM. The school Administrative Assistant may call your home if we have not heard from you. If a student is absent from class for an excessive number of days without a justifiable reason we are required to inform the Attendance Officer.

### AGENDA BOOKS and HOMEWORK

The support and interest of parents have a large influence on a student's attitude towards homework. The agenda books are used by students in Kindergarten to Grade six, and are a link between home and school. **Parents are asked to read and sign the agendas daily. Homework assignments are recorded in the agenda daily.** It is the student's responsibility to complete all homework assignments. If you have questions or concerns about the assignments your child is bringing home, do not hesitate to contact his/her teacher(s).

## APPROPRIATE DRESS

All students are expected to play outside during recess and noon breaks, unless it is *extremely* cold or wet. Students must be dressed appropriately for the weather conditions, including: boots, snow pants, mittens and hats in the winter. **Please label all items - even just writing the name or initials on a tag inside the garment helps us find the owner of lost items.**

Students need **inside** shoes and **outside** shoes **appropriate for physical activities**. Shoes worn in the gymnasium must be runners with **non-marking soles**.

All students must **dress appropriately** for school. Clothes with inappropriate sayings or graphics or that are too revealing are not acceptable. Students who are inappropriately dressed will be given suitable clothing to wear.

## ASSEMBLIES

Regular school-wide assemblies are held in the gym with grade level performances along with a showcase, Remembrance Day ceremony, Christmas Concerts, a Volunteer Appreciation Tea & Art Show, and farewells. These are opportunities to celebrate individual strengths and student achievement in all areas. All students have the opportunity to share their talents as each classroom takes a turn at planning and presenting an assembly. It is also a time to present awards and share achievements with family and community members. Watch our newsletters for dates and times.

## BUSSING INFORMATION

Students riding the bus need to be at their bus stop at least five minutes before their pickup time. After school drop off times may vary, depending on load and weather conditions as well as which students are riding the bus each day. Please ensure that there is someone home to meet the bus after school. All riders must have appropriate clothing for the season including boots, mittens, hats, and snowpants in the winter. **If your child will not be riding the bus that day please contact your bus driver and let them know and write a note in their agendas.** If you have bussing questions or concerns, please contact Transportation at 780-674-8509.

## ILLNESS / MEDICATION

Please be sure the school has **an up-to-date medical history** of your child as well as **phone numbers for home and place of business** and an **emergency contact** number. If a child becomes ill or is injured while at school the parent (guardian) will be contacted. If the parent (guardian) or emergency contact can't be reached, the child will be advised to rest in the infirmary.

If a student must receive medication, prescribed by a medical practitioner, during the school day or during an extra-curricular school-sponsored activity, and the parents are unable to be at school to administer the medication, only the principal or the principal's designee shall administer the medication in compliance with the regulations that follow:

**If your child is required to take prescribed medication or over-the-counter medication, the 'Medication Form' must be completed and signed by a parent/guardian.** This form is available at the school office. Medication must be brought to school by the parent, not the child. Parents should talk to the principal regarding inhalers for children with asthma. Please have a list of side effects attached to any medications. (At no additional charge and by your request, pills can be obtained from a pharmacist in two labeled containers).

## LIBRARY

We are proud of our extensive selection of library books. Students have scheduled library classes each week and are encouraged to take books home to read, or have read to them. If books are over due, students will receive a written reminder. Students are responsible for replacing damaged or lost books. Parents are also encouraged to stop by the library and find reading material for school aged and preschool children.

## LOST & FOUND

A "Lost & Found box" is placed in the foyer of the school. Many times during the year, the items are displayed in the front foyer. The unclaimed items are given away to social agencies at the end of each school year. Parents are always welcome to check these boxes for lost items. To facilitate identification of lost items, it is requested that **the parents mark runners, shoes, coats, snowpants, lunch kits, etc. with the names of students.**

## **NEWSLETTERS**

A newsletter to parents is published each Wednesday to keep you informed as to what is happening at Busby School and in the community. Watch for your family's plastic "Wednesday Envelope" sent home weekly with the youngest child in the family. Your envelope will contain memos, newsletters, calendars, permission slips, order forms for hot lunches, etc. Please use this envelope to return forms, money, notes, etc. to school. **PLEASE RETURN YOUR ENVELOPE for reuse the following week.**

## **NUTRITION**

Eating to learn. Children are more prepared to learn if they have proper nutrition. Please ensure that the lunches students bring have healthy choices. Morning snacks as well as the noon lunch must be nutritious. There are microwaves in each classroom for student use.

## **PHOTO PROGRAM**

A photo program takes place in the Fall and Spring. Individual pictures are available in selected packages at various prices. Further information is sent home prior to photo day outlining the various choices and prices. If you do not want to participate in the Spring photo program please write a note in you child's agenda letting us know.

## **REPORTING STUDENT ACHIEVEMENT**

We encourage regular on-going communication between families and teachers regarding student achievement. Progress reports will be issued three times each school year in November, February and June. Parent / Student / Teacher Conferences are held in October and February. Please contact your child's teacher(s) if you have any questions or concerns at any time throughout the year.

## **SCHOOL CLOSURE due to Inclement Weather**

The decision to close schools is made by Pembina Hills transportation department. School closures will be broadcast on CFOK as well as major Edmonton radio stations, Busby School Website, and the Pembina Hills Website. If school is unexpectedly closed early in the day, an attempt will be made to contact all parents by telephone.

## **SCHOOL COUNCIL/PARENT COUNCIL**

Busby School is very fortunate to have **an active and supportive School Council** who work untiringly for our students and our school. We value the input and guidance they provide. We are very appreciative of the support provided by our School Council. If you have not attended a School Council meeting **you have a rewarding experience awaiting you. Meetings are held at 4:00 pm and babysitting is provided.**

### **Our School Council has:**

- helped establish school policies
- worked Casinos so our students can concentrate on learning, not fundraising
- paid for the cost of the student agendas
- paid for fieldtrips
- paid for computers
- paid for the cost of the grade five and six overnight field trip
- attended Lions Club meeting to request donation to help cover the cost of bussing for sports events and field trips
- provided special treats and snacks, including hot lunches

## **SCHOOL TELEPHONE**

Students are not permitted to use the school telephone for private calls unless it is an **emergency** situation. Students are not called out of class for telephone calls unless it is an emergency. Parents are requested to leave messages for students **before 3:30 P.M.** to ensure that students receive information before they board their busses.

## **STUDENT BEHAVIOR**

The Alberta School Act has clear expectations for student conduct and behaviour. Section 7 of the School Act states that "A student shall conduct himself so as to reasonably comply with the following code of conduct:

- A.** Be diligent in pursuing their duties
- B.** Attend school regularly and punctually
- C.** Cooperate fully with everyone authorized by the board to provide education programs and other services
- D.** Comply with the rules of the school
- E.** Respect the rights of others

The expectations of the School Act are the foundation of Busby School's school-wide expectations and individual classroom expectations. Behaviour that may lead to consequences including, but not limited to, exclusion from class, school, or from a school-sponsored event, generally falls within the following:

1. Behaviour infringing on the learning rights of others
2. Behaviour exhibiting obvious disregard or disrespect for the school & the learning opportunities it provides
3. Bullying behaviour (physical or emotional)
4. Behaviour that contravenes legal statutes

Please refer to the Pembina Hills AP 50-09 Student Code of Conduct for further information.

## **STUDENT COUNCIL**

In September, each classroom selects a member to be a part of the 'All Age Club' (AAC). This group of students represents their classrooms in planning special events to promote positive school spirit as well as providing leadership within the school.

## **VIRTUES**

Each month we will discuss a different virtue and recognize students for demonstrating these at our class lead assemblies. Please check these out in our newsletters and calendars.

## **VOLUNTEERS**

We encourage parent and community involvement in the school. Share your talents with students and staff by taking time throughout the year to volunteer in a classroom, in the school library, or the school office. We require all volunteers sign a volunteer agreement, and to obtain and provide a Criminal Record Check (RCMP) and Child Welfare Check (Alberta Human Services).

### **Volunteer's Code of Ethics**

- **Respect the confidentiality** of the teacher and the children, and refrain from discussing them outside the school situation. If you have any questions or concerns, share them with the teacher.
- **Practice tolerance and understanding** towards the children and teachers with whom you come into contact. Be sensitive to the teaching role. Strive for acceptance of all the children.
- **Be dependable.** If you agree to undertake a task, follow it through by attending at the times and dates arranged.

## How we Respond to Emergencies at School

Our first priority is the safety, security and well-being of our students and staff. Guided by our division's Emergency Response Plan, we have developed a plan which outlines our school's response to various emergencies.

### What should parents do in an emergency?

#### 1. Check the PHRD website

We will post information on the PHRD website [www.phpschools.ca](http://www.phpschools.ca) and on Twitter @PHRD\_Schools. Phone the PHRD Regional Services Office at 780-674-8500.

#### 2. Do not come to the school

You could put yourself in danger and get in the way of emergency personnel. In several instances, our exterior doors will be locked and you will not be able to get in to the building.

#### 3. Do not call or e-mail the school

We need to keep our phone lines open to communicate with emergency services.

#### 4. Do not call, text or e-mail your child's cell phone

Depending on the threat, contacting your child's cell phone could endanger your child.

### What happens during specific emergencies?

As directed by local emergency personnel we will do the following:

1. If an incident or threat occurs inside or is directly related to our school, RCMP will instruct us to **Lockdown** our school which means we will lock all exterior doors. Staff and students will be directed to classrooms which will be locked. (e.g. dangerous intruder)
2. If an incident or threat occurs outside and is unrelated to our school, RCMP will instruct us to **Hold and Secure** which means we will lock all exterior doors. Students and staff may move freely in the school. (e.g. a bank near our school is robbed)
3. In some environmental or weather-related situations, authorities may direct us to **Shelter in Place**, which means we will keep students and staff in school until it is safe for them to leave. (e.g. chemical spill, blackouts, extreme weather conditions)
4. In some instances, we may have to **evacuate** the school. Students and staff will move to our primary evacuation site-The Busby Community Centre. Students will stay at the evacuation site until it is safe to return to school or they are released to a parent/guardian.

**Note:** If our primary evacuation site is compromised, we will move students to a secondary evacuation site. If this is the case, we will post this information on the PHRD website [www.phpschools.ab.ca](http://www.phpschools.ab.ca) and on Twitter @PHRD\_Schools.

### Before an emergency happens

1. Ensure the school has current Emergency Contact information for your child.
2. Talk to your child about the importance of following their teachers' instructions during an emergency.
